

KCER Meeting Minutes

ATTENDEES

<i>Norma Gomez (Chair)</i>	<i>Lisa Hall</i>	<i>Jim Curtis</i>	<i>Lynda Ball</i>
<i>Liz Howard</i>	<i>Jake Jacoby, MD</i>		

KCER MEETING MINUTES

Date: April 26, 2007	Time: 3:00 pm Eastern	Location: Conference Call	
-----------------------------	------------------------------	----------------------------------	--

TOPIC	DISCUSSION	PLAN OF ACTION	RESPONSIBLE	DUE
Norma Introduced Dr. Jacoby	<p>Dr. Jacoby was in command of the New Orleans Airport hospital during Hurricane Katrina. He gave us an overview of the federal process in the "state of emergency". He shared his experiences with the dialysis population at the airport hospital. He discussed the possibility of a Dialysis NDMS team. There are regional teams that are deployed during a disaster. He felt that there should be a dialysis strike team. We discussed a pilot model to be developed in California.</p> <p>Dr. Jacoby was interested in adding dialysis machines to the NDMS team's cache. He asked about raising money.</p> <p>Dr. Jacoby was also interested in developing an educational piece on "Renal Failure in a Disaster." This would be used to educate all the responders on CKD patients.</p>	Dr. Jacoby will send a written proposal for the Dialysis NDMS team and the need for dialysis machines to Lisa Hall. Lisa will bring it forward to the Strategic Planning committee for discussion and consideration.	Dr. Jacoby / Lisa	
Review of	Norma reviewed the objectives of the committee	Norma will develop a draft	Norma	

Stop/Start/Continue	<ul style="list-style-type: none"> • Add administrative assistants, bio-meds and transplant facilities to the database • Update current database at a minimum of every 6 months 	<p>flyer to be sent to the facilities encouraging administrative assistants, bio-meds and transplant personnel to sign up on the database.</p> <p>Norma will work with Mike Cunningham from ANNA on updating the database</p>		
Additional training for disaster response	This was a discussion the committee had previously. Dr. Jacoby informed us of a training program "ICS 100" that gives a certificate when completed.	Norma will follow up on this item.	Norma	
Adjourned	Next call July 12, 2007 2:00 pm Eastern	Dial-in # and Code to be sent with agenda. Contact Norma (Chair) with questions.	Norma
